While many of the golfers won some great prizes, the real winners of the event are Maui's youth. The popular visitor industry golf tournament celebrated 13th years of giving back to Maui's future business leaders by raising over \$13,600 for the following programs:

- The Academy of Hospitality & Tourism (AOHT) programs in Baldwin, Lahainaluna and Maui High Schools
- Scholarship funds for Maui Community College's Culinary Arts and Hospitality & Tourism programs
- Maui Junior Golf

The Academy of Hospitality & Tourism program, administered by the Maui Hotel & Lodging Association, started in the 1990's with a one-time donation from the Ka'anapali Beach Hotel. The seed that was first planted at Lahainaluna High School soon expanded to include Maui High & Baldwin. Today, the AOHT program includes over 220 students on Maui. The innovative program emphasizes academic excellence while preparing students for the "real world" by providing opportunities for internships, job shadowing, research, event planning, service projects, job site visits, university visits and travel. AOHT's primary goal is to prepare students for post-secondary education and cultivate workforce development in one of the world's largest service industries. The program also plays a role in both the HTA Strategic Plan & Workforce Development Plan.

"The Maui Hotel & Lodging Association is committed to giving back to the community by providing opportunities for our future business leaders," says Carol Reimann, executive director for the Maui Hotel & Lodging Association. "We are pleased to raise much-needed funds during these difficult economic times to ensure our youth have the tools to make educated choices. The students who benefit from our efforts are the future of Maui and it's important that we provide opportunities to help maximize their potential - while also supporting workforce development."

The Maui Hotel & Lodging Association is a nonprofit organization founded in 1987 to advocate for the Visitor Industry. The organization also provides educational opportunities via the Academy of Hospitality & Tourism and scholarships for MCC students; and benefits the community via the annual Visitor Industry Charity Walk, Excellence in Education golf tournament and Kupuna Dinner.
