

Continued Rental Assistance for Maui Wildfire Survivors

Residents of Maui who were affected by the Aug. 8 wildfires and received an initial rental assistance from FEMA may be eligible for continued rental assistance.

Who is eligible

To be eligible for continued rental assistance, you must have used your initial rental assistance as intended, and:

- you must be unable to return to your pre-disaster residence because it is uninhabitable, cannot be accessed or is unavailable as a result of the wildfires;
- you cannot pay for housing without assistance; and
- you are not receiving temporary housing help from any other source.

You also need to develop a long-term housing plan and be able to demonstrate progress toward one.

How to apply

If you need continued rental assistance, you must complete an ***Application for Continued Temporary Housing Assistance***.

- **Homeowners:** If your FEMA-verified Real Property Loss exceeds the amount of the initial Rental Assistance awarded, the *Application for Continued Temporary Housing Assistance* will automatically be mailed to you after you have received the initial Rental Assistance award. If the Real Property Loss does not exceed the amount of the initial Rental Assistance, you will need to call FEMA's Helpline to request the application.
- **Renters:** You will need to request the *Continued Temporary Housing Assistance Request* form by calling FEMA's Helpline.
 - To request the form, ask questions about the *Continued Temporary Housing Assistance*, or for help completing the form, call the FEMA Helpline at 800-621-3362.
