

WORKSHOP

JOIN THE LAHAINA ENERGY PARTNERSHIP CO-DESIGN WORKSHOP!

28 January 2025

5:30-7:30 pm
Door open at 5pm

Lahainaluna Cafeteria
(Food and Keiki Corner Provided)

Join us for an interactive session where we'll explore Lahaina's energy priorities, including solar and hydro power, and gather input on grid hardening measures, including the strategic undergrounding of power lines. This is your opportunity to share insights and help shape **Lahaina's energy future.**
