

The Westin Nanea Ocean Villas is excited to host The Nanea Cup 5th Annual Charity Golf Tournament! All proceeds will support the Maui County Visitor Industry Charity Walk and the Children's Miracle Network.

Welcome to Kā'anapali, the sacred lands once called home to the Royal Chiefs of Maui. You become a part of this beautiful history as you make your way around our playground. Breathtaking views from our sloping vistas reveal the islands of Lāna'i and Moloka'i in the distance. The tropical tradewinds will keep you cool during your round, and rainbows you will see remind you that our home is a special place.

As you journey through the Royal Course, notice the historical plaques on each tee, sharing our history and stories of Kā'anapali. The course will take you Makai (Oceanside) and then bring you into the West Maui Mountain foothills (Mauka) with stunning panoramic views.

SUPPORT THE CAUSE

MAUI COUNTY VISITOR INDUSTRY CHARITY WALK

In 1974, the Hawai'i Lodging & Tourism Association sponsored a "Superwalk" to benefit one major charitable organization. In 1978, the Hawai'i Lodging & Tourism Association members voted to extend the reach of support offered by the walk's fund-raising capability, the Visitor Industry Charity Walk is the result of this decision. All of Hawai'i's non-profit charities are eligible to benefit. Walkers are treated to food, drink and fun at checkpoints along the walk route. All checkpoints are operated and supplied with refreshments and helpers by Hawai'i hotels and allied organizations. Entertainment may also be provided at many checkpoints and/or at the end of the walk.

Since its inception in 1978, over \$42.8 million has been raised to support hundreds of local charities throughout the state.

CHILDREN'S MIRACLE NETWORK

More than 10 million kids enter a children's hospital like Kapi'olani Medical Center for Women and Children across North America every year. To provide the best care for kids, children's hospitals rely on donations and community support, as Medicaid and insurance programs do not fully cover the cost of care. Since 1983, Children's Miracle Network Hospitals has helped fill those funding gaps by raising more than \$9 billion, most of it \$1 at a time, through Miracle Balloon icon campaigns. Its various fundraising partners and programs support the nonprofit's mission to save and improve the lives of as many children as possible.
